Regular service in the Trinity Lutheran church next Sunday morning and evening. Pay your taxes before January 1st, 1908, and save 5 per cent. Collector Wm. Copping will be found at the City Hotel. Last summer about four hundred large hardwood logs were raised out of the Hopkins dam and P. W. Yeany is now hauling the logs to Degnan's mill in this place. On last page of this issue of THE STAR will be found several articles concerning some of the aspirants for county offices next year. Johnsonburg is howling because their football team was defeated by Reynoldsville. The Burg boys are hard losers and cry pathetically over spilled milk.—St. Marys Gazette. In this issue will be found a number of Christmas advertisements. Among the large advertisements are: Gillespie, Milliren Bros., W. H. Bell, Bing-Stoke Co., and Ed. Gooder. Father Edward M. Driscoll, an erstwhile Reynoldsville young man, who was pastor of the Catholic church at New Bethlehem several years, has been transferred to South Sharon. Matthew Mooney, former citizen of Reynoldsville, now a resident of Bellvue, suburb of Pittsburg, was operated on in a Pittsburg hospital several days ago for a cancerous growth on his chest. Argument court is being held in Brookville this week. In the absence of Judge Reed, who was at Beaver Falls, Judge Wilson, of Clarion, heard the cases Monday.

A. H. Fleming and wife were called to Houtzdale last week on account of the death of a sister-in-law, Mrs. Martha Fleming, who died in the hospital at Philipsburg on Wednesday. Judge Reed evidently thought Patterson was guilty, for he informed the jury, when they brought in their verdict, that he was surprised at their verdict.

Thomas Haggerty, of this place, a National official of the United Mine Workers of America, went to Indianapolis, Ind., yesterday to attend a joint meeting of the miners and operators to try and re-establish the inter-state joint movement, which was discontinued last year on account of the strike. **Rumored Candidate for Congress.**  
 It is rumored that Ex-Judge Harry White, of Indiana, will be a candidate for the Republican nomination for Congress in this district at the primary election next April. Judge White is an able jurist, an orator and a brilliant man, capable and especially well qualified to represent the people of this district in the Congressional halls of this great government. The fact that he is an old soldier, one of the loyal and brave men who responded to the country's call in the perilous times of 1861 to 1865, will only add to his popularity and make him a very strong candidate in the district. Judge White would get a large vote in Jefferson county if he seeks the nomination for Congress.

The Reynoldsville boys have had little or no practice as yet this season and their work was very fair considering this handicap.
